

GLEANNING CROPS, 2022

Each field offered for gleaning has a sign.

Read all signs **before** entering any field.

No sign = no gleaning from that field.

Limit your gleanings to what you can carry out of the fields.
Take only what your own household can use.

[Be aware, frost on Friday night is likely to damage some of these crops.](#)

Pumpkins (Limit = 2 large & 1 small per household)

Bell peppers (Limit = 2 per household)

Carrots (Limit = 6 per household)

Chilies; jalapenos (Limit = 5 per household)

Chilies; poblanos (Limit = 2 per household)

#Kale & collards

#Romano beans (Field will be wet and muddy from overnight irrigation)

Sweet potatoes (Limit = Dig 1 hill per household)

#Tomatoes, cherry (Be prepared to hunt. Might be frost damaged.)

#Tomatoes, plum & slicing (Be prepared to hunt. Might be frost damaged.)

Winter squash; acorns, butternuts, etc

= most abundant gleaning crops

WATCH YOUR STEP!

Groundhogs & our resident badger have dug MANY holes in the fields and field roads this year! Most are NOT obvious. Stay alert.
